”
This Villa was absolutely breathtaking! From the second you walk in till you leave, you feel very well looked after. Everything was immaculate and hospitality unrivalled so far...Setareh was an excellent host, very personable and accommodating. She was reachable at all hours and went more than the extra mile to make sure we were ok. The location was perfect - a stones throw from an excellent bakery and also a really lovely restaurant called capricho on the same street you would enjoy and the shopping center is a 5-8 mins drive so you'll want for nothing! I'm giving it 5 star and recommend to anyone looking for a little paradise break away :) Thanks Setareh!

Setareh is heel vriendelijk en duidelijk met afspraken. Er wordt geregeld dat er altijd iemand is voor het inchecken of de deur open doet wanneer zij zelf niet kan. Als je vragen hebt worden deze snel beantwoord. Al met al, een prachtig huis en de foto's liegen er zeker niet om. Een aanrader wanneer je met een grote groep in Marbella bent!
